Hardy Orchid Society Seed Sowing Workshop

Venue Hagbourne Village Hall, Main Road, East Hagbourne, Didcot Oxfordshire, OX11 9LR

Date & Time Sunday 13th August 2017. Start 10.30 am. Finish 4.30 pm

Workshop Contents
John Haggar, who has a wealth of experience of hardy orchid seed sowing and subsequent care, has kindly agreed to offer his expertise in running the seed-sowing workshop. The workshop will take place under non-sterile conditions, and will cover the following headings, including practical demonstrations of the techniques where appropriate.

- Life cycles (summer green and winter green)
- Seed sowing timing & techniques
- Media & media preparation
- After care, light and temperature
- Question & Answer session

Each participant will have the opportunity to sterilise and sow some orchid seed using a laminar flow cabinet and take the results home with them to germinate.

Course material will be available at the end of the course for participants to take away with them

Workshop Cost
The cost of the workshop is £25/person.
Refreshments
Tea/Coffee/Squash will be available, but please make your own arrangements for lunch.

Please tear off slip below and send with your payment for the workshop
