

Hardy Orchid Society Seed Sowing Workshop

Venue Hagbourne Village Hall, Main Road, East Hagbourne, Didcot
Oxfordshire, OX11 9LR

Date & Time Sunday 13th August 2017. Start 10.30 am. Finish 4.30 pm

Workshop Contents

John Haggard, who has a wealth of experience of hardy orchid seed sowing and subsequent care, has kindly agreed to offer his expertise in running the seed-sowing workshop. The workshop will take place under non-sterile conditions, and will cover the following headings, including practical demonstrations of the techniques where appropriate.

- Life cycles (summer green and winter green)
- Seed sowing timing & techniques
- Media & media preparation
- After care, light and temperature
- Question & Answer session

Each participant will have the opportunity to sterilise and sow some orchid seed using a laminar flow cabinet and take the results home with them to germinate.

Course material will be available at the end of the course for participants to take away with them

Workshop Cost

The cost of the workshop is £25/person.

Refreshments

Tea/Coffee/Squash will be available, but please make your own arrangements for lunch.

Please tear off slip below and send with your payment for the workshop

HOS Seed Sowing Workshop Booking Form

I confirm that I wish to attend the HOS Seed Sowing Workshop on 13th August 2017. Please return the form as soon as possible, and ensure that payment of £25 is sent by 30 June 2017
